V LEVEL EDUCATION

Level 3 · V Level · Truro College

WHY CHOOSE THIS COURSE?

The Level 3 V Level in Education is designed for students who want to develop a strong understanding and practical and technical skills used in education across a range of key learning stages.

If you enjoy learning, investigating how teaching and learning work, possibly considering a future working or supporting children in their learning and development, this course will help you explore the education sector and opportunities it offers.

The qualification offers a vocational approach to learning, helping you connect your understanding of education with real-world contexts. It can provide a route towards higher education, apprenticeships or employment in a range of educational roles including early childhood studies, Early Years Educator, Teaching Assistants and other roles in the sector.

This qualification is equivalent to one A Level, so you would need to choose either another two A Levels, V Levels or a BTEC Diploma (which is equivalent to two A Levels). We would recommend studying this programme alongside A Level Sociology, Psychology or Health and Social Care.

WHAT WILL I LEARN?

You will study the knowledge, understanding and skills needed to work within education, and how planning and assessment are used in different contexts, including inclusive learning opportunities and the use of digital technology.

You will explore a range of themes including:

- Legislation and guidance for health, safety and safeguarding
- Key principles and strategies for inclusion
- Understanding teaching and learning
- Plan well-structured learning sessions
- Building and maintaining positive relationships with students in education
- Professional communication and collaboration
- Using technology to enhance learning
- Principles of reflective practice.

WHERE WILL IT TAKE ME?

Higher education courses in childhood education, early years practice or teaching related subjects. Higher technical qualifications and apprenticeships.

ENTRY REQUIREMENTS

Attend an interview. Four GCSEs at grade 4 including Maths and/or English.
