# WELCOME

**Welcome to our College Open Event. The College is proud to offer its students an unrivalled experience, delivering excellence in education with first-class facilities, standards of teaching and support to enable students to achieve the best possible results.**

Truro and Penwith College is one of the top Colleges nationally year-on-year for academic and vocational achievement. Our students not only achieve in their studies but with specialist guidance and support secure the best progression opportunities into higher education and employment. It is their success that allows us to confidently present ourselves as the best educational institution for students to achieve their ambitions, catering for all levels of previous academic success.

All our curriculum areas allow students to immerse themselves with industry-standard facilities and fantastic learning environments, from our commercial Hair and Beauty salons to state-of-the-art Engineering workshops. We invite you to discover these facilities as you explore the College.

There is a lot to see and do at the Open Event; we recommend you choose a selection of courses that you are interested in and head over to those locations for more details. Our friendly team of tutors and staff will be able to help you with any questions you may have.

Fantastic activities and experiences also await you around the campus, giving you an even better understanding of the facilities and courses available.

This programme contains a list of all courses currently on offer and where you can find them. If you need any assistance at all please ask a member of staff or Student Ambassador.

We hope you enjoy your visit to the College.

# UNIVERSITY CENTRE TRURO & PENWITH

University Centre Truro and Penwith offers over 30 University level courses, ranging from BA and BSc Honours Degrees to Foundation Degrees, Higher National Diplomas, Higher National Certificates and Higher Apprenticeships. Subjects include Nursing, Arts, English, Media, Sports, Social Sciences, Archaeology, Law, Business, IT and Education and Training.

In 2022, the University Centre Truro and Penwith received 92% for overall student satisfaction in the National Student Survey. As a leading educational establishment, Truro and Penwith College are dedicated to raising the standard of teaching and learning within Cornwall. The College has had recent major investment into two brand new buildings at our Truro and Bodmin Campus, dedicated to

Engineering and Healthcare and working with some of Cornwall's top employers including new emerging industries in the county, such as Space and Technology.

With smaller class sizes, more 1-1 personal support and the chance to fit life around lectures, why not stay and study for your degree in stunning Cornwall?

# WE'RE OPEN

---

**With so much to see and do at Truro College why just visit for one day? From quality coffee to a relaxing massage and from Part-time Courses to three-course dinners, the College has an amazing array of services to offer members of the public throughout the year.**

Prepare to be wined and dined in style at our Spires Restaurant, serving quality food and drinks all prepared and served by our very own front-of-house and professional cookery students.

Between lunch and dinner, Spires is transformed into an atmospheric Coffee Bar complete with barista-style coffee - perfect for a business meeting or a catch up with friends.

For those who feel in need of a lot more pampering, the College's own Inspiration Hair and Beauty Salon is open during term times for anything from a perm to a pedicure.

Need a gift for that special someone but not sure what to buy? The College's shop in the Mylor building sells quality and quirky products created by students, as well as items sourced locally and from around the world.

If you're left inspired by what you've seen at the College, why not pick up a Part-time Leisure Courses brochure or visit our website to discover the range of courses available to part-time students?

Available for hire, our new Conference Centre has two rooms, including a large Conference Suite that can accommodate in excess of 30 delegates and a Boardroom, which comfortably seats 18 people. Refreshments and catering can be provided and Wi-Fi access is available.

As you will discover, Truro College is open in many more ways than you think.

For full details of all the services on offer and open to the public please visit our website at [truro-penwith.ac.uk](http://truro-penwith.ac.uk)
