# OPEN EVENT GUIDE

PART OF  
TRURO  
& PENWITH  
COLLEGE

**Welcome to our Open Event. The College is proud to offer its students an unrivalled experience, delivering excellence in education with first-class facilities, standards of teaching and support to enable students to achieve the best possible results.**

Truro and Penwith College is one of the top colleges nationally year-on-year for academic and vocational achievement. Our students not only achieve in their studies, but with specialist guidance and support, secure the best progression opportunities into higher education and employment. It is their success that allows us to confidently present ourselves as the best educational institution for students to achieve their ambitions, catering for all levels of previous academic success.

All of our curriculum areas allow students to immerse themselves with industry-standard facilities and fantastic learning environments, from our commercial Hair and Beauty salons to state-of-the-art Engineering workshops. We invite you to discover these facilities as you explore the College.

There is a lot to see and do at the Open Event; we recommend you choose a selection of courses that you are interested in and head over to those locations for more details. Our friendly team of tutors and staff will be able to help you with any questions you may have.

Fantastic activities and experiences also await you around the campus, giving you an even better understanding of the facilities and courses available.

This programme contains a list of all courses currently on offer and where you can find them. If you need any assistance at all please ask a member of staff or Student Ambassador. We hope you enjoy your visit to the College.
