

TRURO & PENWITH COLLEGE

LECTURER IN MOTOR VEHICLE - PENZANCE

Application Information Pack

Advert

Full Time

Lecturer in Motor Vehicle (Penzance)

£33,723 - £42,215 per annum*

We are one of the highest performing colleges nationally on all courses at all levels, rated Ofsted 'Outstanding'.

We are looking for a vibrant and committed lecturer with the ability to inspire students and maintain excellent working relationships in a successful Automotive team.

The successful applicant will have at least five years industry experience and recognised trade qualifications, provide high quality teaching, ideally hold a relevant teaching qualification, and have a commitment to the delivery of an outstanding learning experience to our students. The ability to offer flexibility across courses within the department is also important.

Candidates will be expected to teach a range of courses within the Automotive department including level 1 and level 2 full time students studying the IMI Diploma in Light Vehicle Maintenance. Ideally, although not essentially, the candidate would also be comfortable teaching light vehicle apprentices up to level 3. The department also conducts industry training such as MOT Tester and Electric Vehicle (L3 and L4); it would not be expected that the candidate will teach on these programmes, but if they have experience in this area then it may help. Previous experience of teaching Motor Vehicle is desirable. As well as teaching, the successful candidate will also have responsibility for a tutor group. Applications will also be considered with no prior teaching experience, although a willingness to complete the initial teacher training qualification would be expected.

We will be interviewing as and when we receive suitable applications so this role may close sooner than advertised.

*Salary as advertised is based on a qualified lecturer. Non-qualified applicants will be considered but will be paid on a non-qualified lecturer scale.

We offer a generous package with benefits including 40 days annual leave plus bank holidays and College closure days, teacher pension scheme, relocation package, free on-site parking and a variety of on-site benefits and discounts.

CLOSING DATE: 5PM, MONDAY 4 NOVEMBER 2024

Curriculum Vitae are not accepted, Application Forms only.

Successful candidates will be notified within 4 weeks of the closing date.

About us

We are proud of our College and what it has achieved since it opened in 1993. Student numbers have grown tenfold and this September we welcomed 5150 full time 16-18 students, 480 HE students, 700 Apprentices and 6,000 part time students. The College's broad range of provision includes a wide choice of more than 42 A level subjects, The International Baccalaureate, BTEC and UAL Diplomas, a range of occupational based courses including Construction, Hospitality, Hair and Beauty, Automotive Engineering and Engineering. There is a very significant High Needs provision and the College offers a wide range of apprenticeships together with professional qualifications as well as a large Higher Education provision from levels 4 to level 6.

The College has continued to invest in new buildings to accommodate the growth in provision and has also undertaken a series of major capital projects including the re-development of the Penwith Campus and the establishment of a new Free School – Callywith College in Bodmin. The College is financially very secure, and this allows for continual investment in the supporting of our learners. The Truro and Penwith Multi Academy Trust was established in February 2014 and focuses on pre-16 education. The trust has grown to include over twenty schools across three hubs in Cornwall. The College is also a Maths Hub, Computing Hub, it leads on the Science Learning Partnership and is a member of the Institute of Physics. 2021 will see the completion of a new build at the Truro campus which is part of the South West Institute of Technology. The College is the only Cornwall based partner in this organisation and the building will be used to develop the curriculum offer in Engineering and Digital.

Central to everything the College does is the student. Our commitment is to provide the very best student experience and allow all our students to achieve their objectives and aspirations. The College is very innovative and dynamic in the way that it works and has developed an excellent reputation both locally and nationally. It was one of the first colleges to be awarded Beacon status and in 2016 was the first college to be graded Outstanding under the new inspection framework. The College has also gained The AOC National Beacon Award for Leadership and Governance and the AOC National Beacon Leading Light Award. The College is also the only provider of the new T Level qualification in Cornwall and has already recruited to the first three pathways.

We are looking for exceptional candidates with the vision, energy and determination to provide first class education and training for the county.

The Lecturer scale is divided into a number of bands: -

B	£28,429 - £30,895
C	£32,675 - £36,563
D	£38,330 - £42,215

The precise band on which the post will be offered will be finally determined at interview.

I ask that experienced candidates should include details of the results their students have obtained over the past two years. Candidates should also indicate if they are able to contribute to other aspects of the College's teaching programme. The selection criteria for short listing and at appointment will include consideration of qualifications, previous experience and achievements, ability to work with energy and commitment, ability to work as a member of a team, and ability to contribute to the future development of the College.
