

STEM & HEALTH SKILLS CENTRE

**YOUR FUTURE IN
ENGINEERING,
NURSING
& DIGITAL**

SAT 16 NOV 10AM-3PM

**OPEN EVENT
GUIDE**

WELCOME

Welcome to our Open Event at the brand-new STEM and Health Skills Centre. The College is proud to offer its students an unrivalled experience, delivering excellence in education with first-class facilities, standards of teaching and support to enable students to achieve the best possible results.

The new Truro and Penwith College STEM and Health Skills Centre in Bodmin provides a wide range of post-16 education in areas such as engineering, digital, manufacturing, healthcare and nursing. Facilities include engineering workshops, a health simulation suite and modern digital technology. Dedicated Truro and Penwith College student support facilities and a refectory are also on-site.

The STEM and Health Skills Centre enjoys close partnerships with employers through its Apprenticeships programmes. The centre will help people into further learning, as well as creating new sector specific jobs and supporting businesses.

Our friendly team will be able to help you with any questions you may have while you are here. We hope you enjoy your visit.

university offers for Truro and Penwith College students to study the STEM subjects - **Science, Technology Engineering and Maths**.

L3 ENGINEERING

students have successfully transitioned into **rewarding careers with both local and national engineering businesses**, applying their skills and knowledge to various sectors within the engineering industry.

90%

OF T LEVEL DIGITAL PRODUCTION DESIGN AND DEVELOPMENT STUDENTS

achieved a Merit or higher, compared to 49.2% nationally. That is 40.8% above the national average.

OUR STUDENTS

“ Not one day is the same. My Apprenticeship always calls for creative thinking and collaborating with different colleagues.

I feel a sense of fulfilment as I know that there are people relying on me to fix the machinery and I am helping to change what is mainly a male industry.”

HANNAH from St Columba studies the Level 3 Apprenticeship in Engineering Mechatronics with Imerys. She previously attended Penrice Academy.

CAREER & PROFESSIONAL DEVELOPMENT COURSES

PROFESSIONAL DEVELOPMENT COURSES
APPRENTICESHIPS
BESPOKE TRAINING SOLUTIONS
TASTER SESSIONS
FINANCIAL SUPPORT
EVENTS

The College's business support and professional development courses are encompassed under the Future Skills Institute, our home for all 19+ provision, including the University Centre Truro & Penwith.

Partnerships with some of Cornwall's most innovative employers allow us to develop quality training and skills for tomorrow's workforce.

This future-focused training, coupled with our industry-expert teaching and state-of-the-art facilities have earned us recognition as Cornwall and Devon's top College for apprenticeship achievement, Cornwall's only DfE recognised Expert Apprenticeship provider and an accredited centre for Institute of Leadership and Management (ILM) qualifications.
