TRURO
& PENWITH
COLLEGE

APPLY TODAY & SECURE YOUR PLACE

WELCOME

Welcome to our Open Event. The College is proud to offer its students an unrivalled experience, with exceptional facilities, standards of teaching and support to enable students to achieve the best possible results.

Truro and Penwith College is one of the top colleges nationally year-on-year for academic and vocational achievement. Our students not only achieve in their studies, but with specialist guidance and support, secure the best progression opportunities into Higher Education and employment. It is their success that allows us to confidently present ourselves as the best educational institution for students to achieve their ambitions, catering for all levels of previous academic success.

All of our curriculum areas allow students to immerse themselves with industry-standard facilities and fantastic learning environments, from our commercial Hair and Beauty salons to state-of-the-art Engineering workshops. We invite you to discover these facilities as you explore the College.

There is a lot to see and do at the Open Event; we recommend you choose a selection of courses that you are interested in and head over to those locations for more details. Our friendly team of tutors and staff will be able to help you with any questions you may have.

Fantastic activities and experiences also await you around the campus, giving you an even better understanding of the facilities and courses available.

This programme contains a list of all courses currently on offer and where you can find them. If you need any assistance at all, please ask a member of staff or Student Ambassador. We hope you enjoy your visit to the College.

OFSTED 2025

We are Outstanding in:

- ✓ Education programmes for young people
- ✓ Apprenticeships
- ✓ Behaviour and attitudes
- ✓ Personal development

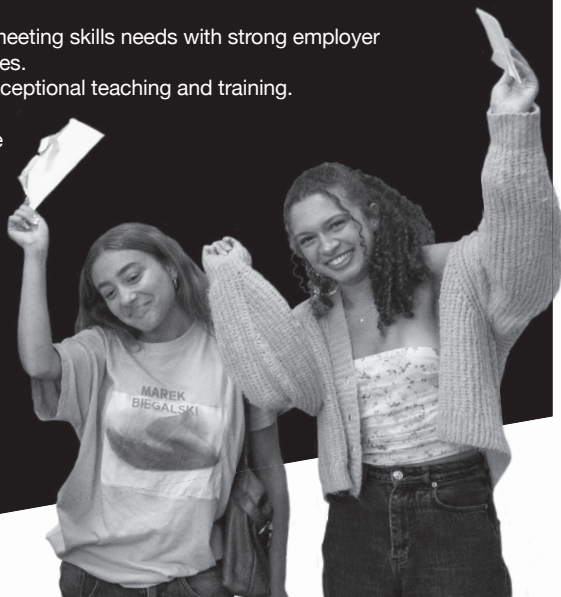

The latest Ofsted report highlights our commitment to student success, industry-aligned training, and exceptional personal development opportunities.

Highlights from the report include:

- Outstanding teaching that helps students make exceptional progress and develop knowledge, skills and confidence.
- Industry-aligned apprenticeships with hands-on experience and expert mentoring.
- Outstanding Behaviour, Attitudes and Personal Development, where students feel valued and safe.
- Highest possible 'Strong' grade for meeting skills needs with strong employer partnerships and cutting-edge facilities.
- A culture of excellence that drives exceptional teaching and training.

From top A Level results to cutting-edge apprenticeship training, we're proud to help students achieve their dreams and secure their futures.

LEARN WHAT YOU LOVE, WHERE YOU LOVE

University Centre Truro & Penwith offers over 30 University Level courses, ranging from BA and BSc Honours Degrees to Foundation Degrees, Higher National Diplomas, Higher National Certificates and Higher Apprenticeships.

The University Centre Truro & Penwith received 92% for overall student satisfaction in the most recent satisfaction ratings gathered in the National Student Survey. As a leading educational establishment, the University Centre is dedicated to raising the standard of teaching and learning within Cornwall. The Centre has received recent multi-million-pound investment in the South West Institute of Technology building at the Truro Campus and the brand-new STEM & Health Skills Centre, Bodmin, dedicated

to Engineering, Healthcare, Digital & IT and working with some of Cornwall's top employers to meet emerging skills needs in areas such as renewable technology, space technology and engineering.

With smaller class sizes, more one-to-one personal support and the chance to fit life around lectures, why not stay and study for your degree in stunning Cornwall?
