Join an Award-Winning Apprenticeship Provider - #1 in the Southwest for Apprenticeship Achievement. We're proud to be recognised as the National Apprenticeship Provider of the Year 2025, delivering exceptional outcomes through innovative, industry-aligned training.

Ofsted has highlighted & praised our "strong collaboration between staff and employers" enabling apprentices to thrive alongside industry needs. In T Level Programmes, "students are highly accomplished at critical thinking, problem solving and the application of theoretical knowledge in practical & industry-specific situations", due to teacher's use of effective problem-based learning to immerse students in complex, real-world scenarios.

Our apprenticeship educators work together with employers to deliver exceptional training and development "helping apprentices develop both technical expertise and professional behaviours, preparing them well for their careers"

With achievement rates consistently with achievement rates consistently putting us well above national achievement rates and ranking our success in the top three in general FE colleges nationally, we're a trusted leader in apprenticeship education.

Truro and Penwith College are seeking a dynamic and knowledgeable Civil Engineering and Design, Surveying & Planning Lecturer to join our team on a full-time contract basis. The successful candidate will primarily deliver the L3 Civil Engineering Apprenticeship program and may also contribute to the T Level course in Design, Surveying, and Planning.

This role offers a unique opportunity to shape the future of aspiring civil engineers through innovative teaching and hands-on learning experiences.

Key responsibilities include:

- Deliver Civil Engineering Apprenticeships: Teach and develop the Level 3 Civil Engineering Apprenticeship programme.
- T Level Delivery: Contribute to the T Level in Design, Surveying and Planning, ensuring students gain both theoretical and practical expertise.
- Deliver Bootcamps: Design and implement specialist bootcamps in digital construction and construction management, aligned with industry needs.
- Expand Higher-Level Provision: Support the development of higher-level qualifications and apprenticeships in construction management, creating clear progression routes for learners.
- Curriculum Innovation: Create engaging, industry-relevant lesson plans and integrate emerging technologies and practices.
- Mentorship and Support: Guide and inspire students, fostering a positive and inclusive learning environment.

A Civil Engineering degree or related field is required, with a teaching qualification preferred or a willingness to obtain one. Candidates must have industry experience and strong math skills, especially in civil engineering applications. Excellent communication and organisational skills are essential, along with the ability to simplify complex concepts. A passion for teaching and mentoring is key, with a commitment to creating a positive and inclusive learning environment. The role requires flexibility in teaching schedules and the ability to deliver lessons both in-person and online.

*Salary as advertised is based on a qualified lecturer.

We offer a generous package with benefits including 40 days annual leave plus bank holidays and College closure days, teacher pension scheme, relocation package, free on-site parking and a variety of on-site benefits and discounts.

Curriculum Vitae are not accepted, Application Forms only.

CLOSING DATE: 5PM, MONDAY 15 DECEMBER 2025
