WHY CHOOSE THIS COURSE?

You will have access to a number of tutors who will enhance your learning experience by sharing their industry knowledge with you, ensuring you have the skills necessary for the working world. You will also have access to specialised equipment such as the Nursing Kelly within our onsite simulation suite which will help to develop knowledge, skills and understanding when recognising patient needs.

WHAT WILL I LEARN?

Our apprenticeship offers a balanced combination of practice-based and academic learning to enhance and consolidate your skills and knowledge; giving you the opportunity to earn while you learn and gain a Bachelor's degree (BSc Hons) over four years of study. The modules of study include:

WHERE WILL IT TAKE ME?

This course will enable you to further your career with your employer as a qualified Adult Nurse. Our curriculum is approved by the Nursing & Midwifery Council. On successful completion of the course, you will be eligible to register with

the NMC.

ENTRY REQUIREMENTS

From the start of your apprenticeship, you will need to be employed full-time (30 hours or more per week) in an appropriate healthcare setting where you can train as a Registered Nurse. If you are not already employed in a health or social care setting, you should contact NHS Trusts and other healthcare organisations in your area to check if they are recruiting nursing apprentices. For entry, you will need to have 112 UCAS tariff points made up from:

- A-Levels
- BTEC National Awards
- International Baccalaureate
- Access to Higher Education Diploma

Or

- Diploma in Health and Social Care (level 3)/NVQ (level3)

Or

- Foundation Degree

You will also need at least three GCSEs at grade 4/C or above including **mathematics and English** or a recognised level 2 equivalent.
