During your tutorial programme, you will also develop personal and work-related skills which will help prepare you for the challenges you will face within progression in education and/or full-time work.

EXPAND YOUR KNOWLEDGE FOR THE SECTOR

You will develop your communication skills, team work skills and develop your understanding of care values and health and wellbeing.

WHY CHOOSE THIS COURSE?

If you want a career where you can progress, feel secure and get an enormous sense of achievement from knowing you are positively supporting individuals with a range of health and social care needs then this course is for you.

WHAT WILL I LEARN

A BTEC in Health and Social Care is a recognised pathway to work or further study within a sector that offers a range of exciting and rewarding careers. Our Level 1 Course will support you to develop both personally and professionally and give you an introduction to a range of careers within the sector. You will cover skills and topics including care values, effective communication, teamworking, and promoting health and well-being.

WHERE WILL IT TAKE ME

Upon successful completion of this course, you will be able to progress onto opportunities such as support work, health care assistants and apprenticeships. Previous students who have achieved the required grades have taken the opportunity to continue their studies onto our Level 2 Diploma in Health and Social Care.
