Level 2 · Progression · Truro College

TOP COURSE HIGHLIGHTS

EXPERIENCED TUTORS | EXCELLENT FACILITIES | SUPPORTIVE ENVIRONMENT | WORLDWIDE TRIPS

WHY CHOOSE THIS COURSE?

Choosing to study the Progression 2 Business/Travel qualifications is a great decision for lots of reasons, particularly considering the nature of employment within Cornwall. The qualification will prepare you for many different careers by equipping you with organisational skills, marketing knowledge, the ability to present your ideas clearly and important financial skills. The Progression 2 Business programme includes the Level 2 Certificate in Business, GCSE English and Maths where applicable to achieve Grade 4 or higher and the OCN Work Skills qualification.

We have trips built into the curriculum with students having the opportunity to take part in water sports team building activities at Elemental UK. Our department also runs trips to London, New York City and a ski trip to the Italian or French Alps every year.

WHAT WILL I LEARN?

The qualification contains a range of units to ensure that students learn the essential knowledge and skills of the business and travel & tourism sectors. Units you will study range from marketing, finance, sales and customer service and recruitment, selection and employment. You will also take responsibility for your own learning and develop essential workplace skills such as teamwork, working from a brief and working to deadlines.

WHERE WILL IT TAKE ME?

The qualification will allow students to progress onto further study at Truro College (a more specialist Level 3 Diploma in Business or Travel & Tourism, for example), or enter into employment/apprenticeships. In business, you would be aiming to be moving into entry-level roles, such as assistants in business administration, marketing, finance, human resources, sales and customer service. For travel and tourism this could include positions within travel agencies, visitor attractions and hotels. Our learners have also progressed to university after completing a Level 3 programme.

ENTRY REQUIREMENTS

Three GCSEs at Grades 3 including English Language or Literature and/or Mathematics.
