WHY CHOOSE THIS COURSE?

This course is intended for post-16 learners who want to progress directly into employment in the health and fitness sector as a gym instructor or personal trainer. It gives a broad introduction to working in the sport and fitness industry, and it can also lead to further study at university. This is a career-focused qualification with industry endorsement and accreditation. The qualification provides the knowledge and develops the skills and application required for professional accreditation with the Register of Exercise Professionals (REPs) and the Chartered Institute of Management for Sport and Physical Activity (CIMSPA) Gym Instructor and Personal Trainer standards.

The content of the new BTEC Nationals have been developed in collaboration with employers and representatives from higher education and relevant professional bodies. They have ensured that content is up to date and that it includes the knowledge, understanding, skills and attributes required in the sector.
