CITY & GUILDS COMPUTER AIDED DESIGN (CAD) LEVEL 1 (SOLIDWORKS)

Level 1 · Other · Truro College

PART-TIME INFORMATION

This is a certificated course that is aimed at individuals who want an introduction into the world of Computer Aided Design. Although this course is an introduction, individuals who have used the software have benefited extensively from the skills developed but also the advice and guidance given during the course.

This course would be ideal for people with a design or engineering background, although it is not essential. Some learners use this course as a pathway for career progression/ development or even a change of career.

You would need good basic IT skills, these skills will also be developed as part of the course.
