FUNCTIONAL SKILLS IN MATHEMATICS L2

Level 2 · GCSE & Functional Skills · Truro College

PART-TIME INFORMATION

This is an intensive course run for 6 days over 6 weeks designed to ensure that an individual has the basic applied skills in order to solve problems and become a valuable employee. They build the confidence needed to tackle commonly recurring problems in any job role.

This course can help you learn underpinning skills and their real life application to increase your confidence; improve your career prospects; and/or help your children with their schoolwork. Functional Skills Maths Level 2 is an alternative to GCSE Maths for those who learn better with practical, real-life examples.
