WHY CHOOSE THIS COURSE?

This course is aimed at learners hoping to take their first steps toward a career in any Sport-related industries. If you enjoy studying a variety of topics chosen to help develop your confidence, understanding and abilities and then applying them in and out of the classroom, this progression could be for you. Units you will study are varied and engaging, such as: Sport Participation, Anatomy & Physiology and Coaching. Over the 1-year course, you will develop the skills needed for progression into Level 3 qualifications in different areas across Sport and Public Services.

WHAT WILL I LEARN?

You will learn in a range of methods including practical experiences and theory-based lessons. You will be taught in classroom lectures, practical sport and group discussions using the extensive facilities at the College, including a purpose-built sports hall, fitness suite and 3G astro pitch. Alongside the NCFE Certificate you will work towards OCN Work Skills qualifications. These qualifications are designed to provide learners with a range of employability skills that are key to preparing them for the workplace and to assist learners in acquiring the skills, attributes and behaviours that are needed to enter and s d in any future progression routes. You will study Maths and English for four hours each week. Progression onto a Level 3 course will only be secured once you have completed the course.

WHERE WILL IT TAKE ME?

Upon successful completion of this course, you will be able to progress onto further study, training, or employment having developed both academic and practical skills, allowing you to make informed choices with regard to a career in the Sport
