WHY CHOOSE THIS COURSE?

Throughout the pathway, you will grow in independence, confidence and resilience. You will improve your maths and English, engage in an Enterprise activity, experience volunteering in the community, practice travelling independently and follow an exciting programme of enrichment.

WHAT WILL I LEARN?

This course is delivered over 3 days a week for up to 3 years. On this pathway you will undertake a curriculum based on the outcomes of your Education Health and Care Plan. Your programme of study will prepare you in developing your independent living skills including community engagement, travel training and preparing meals. Alongside this, you will continue to develop your Maths and English qualifications allowing you to be confident in money management and literacy for life.

WHERE WILL IT TAKE ME?

You may have the option of progression to our Preparation for Employment programme where you will consolidate your learning from your previous study programme and continue to develop your work readiness. Alternatively, previous learners have accessed other recognised supported training and/or supported living whilst engaging with your local community.

ENTRY REQUIREMENTS

As the programme focuses on building your skill levels between Entry Level 1 and Entry 3 there are no formal entry requirements. All learners are assessed on their individual ability.
