WHY CHOOSE THIS COURSE?

Level 1 Art and Design Diploma aids you in experimenting with a wide range of concepts which will culminate in you creating inspiring 2-dimentional and 3-dimentional finished work. During the course you will discover new ways of creating with methods in areas such as drawing, painting, textiles, sculpture, printmaking and graphic design. To inspire your work you will research the work of other selected artists and designers linked to each project. This exploration will help inform your own creative outcomes and develop your use of formal art and design language as well as your written and verbal analytical skills.

WHAT WILL I LEARN?

The Level 1 Art and Design Diploma provides the perfect steppingstone to further study by engaging students in a wide range of media. It enables you to build your skills, knowledge and portfolio in preparation for progression to the Level 2 Progression in Art and Design or Level 3 Extended Diploma in Art and Design or alternatively a range of other qualifications offered at the College. The course is taught through practical projects and assignments. The projects cover a range of art skills such as drawing, painting, printmaking and crafts such as textiles. You will produce individual outcomes through guided research, ideas, development, media experimentation and evaluation. During the course, we also make research visits to art galleries and exhibitions. You will have the opportunity to exhibit your artwork at different points throughout the year, which then culminates in a large external exhibition of the whole art department in May.

WHERE WILL IT TAKE ME?

The level 1 Art and Design Diploma gives you the ideal foundation of skills to progress to the Level 2 Diploma in Art and Design or the Level 3 Extended Diploma in Art and Design. You can also look to progress to a range of other programmes within the college.

ENTRY REQUIREMENTS

In addition to Level 1 entry requirements, an interest in drawing and making would be advantageous.
