Level 1 · Progression · Penwith College

TOP COURSE HIGHLIGHTS

SMALL CLASSES | EXCELLENT TUTOR SUPPORT | EXCELLENT FACILITIES | LIVE PROJECTS | EXHIBITION OPPORTUNITIES

SPECIALIST STUDIOS AND EQUIPMENT

Specialist studios and equipment including – 3D workshop, Ceramics studio, Ceramic and Glass kilns, printing presses and screen-printing facilities.

FRIENDLY AND CREATIVE STAFF

The Art Department is friendly, supportive, ambitious and hardworking. Achievement in this subject relies heavily on your attendance, punctuality and commitment to learning, both independently and within lectures.

SERIES OF WORKSHOPS

The workshops designed to give you an understanding of a wide range of practical and theoretical techniques and processes.

WHY CHOOSE THIS COURSE?

You will have the opportunity to explore and discover new ways of working with methods of production and specialist techniques in areas such as drawing, painting, printmaking, graphic design, textiles and sculpture. You will also research the lives and work of other selected artists and designers related to each project. This research will inspire and inform your own creative outcomes alongside developing your verbal and written analytical skills and use of formal art and design language. You will have the opportunity to exhibit your artwork at different points throughout the year, which then culminates in a large exhibition of the whole art department in June.

WHAT WILL I LEARN?

The Level 1 and 2 Art and Design Diploma provides the perfect steppingstone to further study by engaging students in a wide range of media. It enables you to build your skills, knowledge and portfolio in preparation for progression to the Level 2 Progression in Art and Design or Level 3 Extended Diploma in Art and Design or alternatively a range of other qualifications offered at the College. The course is taught through practical projects and assignments. The projects cover a range of art skills such as drawing, painting, printmaking and crafts such as textiles. You will produce individual outcomes through guided research, ideas, development, media experimentation and evaluation. During the course, we also make research visits to art galleries and exhibitions.

WHERE WILL IT TAKE ME?

Careers: Employment within the creative industries is as varied as it is challenging. Students from this course usually undertake the Level 3 Extended Diploma and then specialist degree level education before entering employment. Many of our alumni have progressed into careers such as print and textile design, animation, designer-makers and design crafts such as ceramics or jewellery and silver smithing, graphic design, fashion design, illustration and commercial

photography. **Progression:** The Level 1 and 2 Diploma give you the ideal foundation of skills to then progress onto the Level 2 Progression in Art and Design or the Level 3 Extended Diploma in Art and Design or a range of other programmes within the College.

ENTRY REQUIREMENTS

The Level 1 and 2 Diploma give you the ideal foundation of skills to then progress onto the Level 2 Progression in Art and Design or the Level 3 Extended Diploma in Art and Design or a range of other programmes within the College.
