

WOMEN'S INTRODUCTION TO DIY

Other · Truro College

PART-TIME INFORMATION

This course is aimed at empowering women to feel comfortable with power tools and in tackling DIY jobs around the home. Run over three weeks (not consecutive), learners will be shown how to operate power tools safely and how to carry out basic repairs and home improvements around the home, from putting up shelves and pictures, to effecting general repairs. This three day course is fully funded for residents of Cornwall (proof of address will be required).
